STINGERS SPLIT TWO OVER WEEKEND

OTTAWA GEE GEES AT CONCORDIA

THURSDAY JANUARY 23, 7:30 p.m.

With one month remaining in the 1985-86 Quebec University Hockey League schedule the Concordia Stingers still find themselves fighting for a playoff spot. Last Saturday they whipped the Chicoutimi Inuk 10-5 at home as Mark Kosturik scored three goals and added three assists, but the following evening at McGill's McConnell Winter Stadium they dropped a 5-4 decision.

Concordia's record stands at 3-9 in conference play, placing them a mere two points behind the fourth place Inuk (4-10) with two games in hand.

The Stingers will play host to the defending league champion Ottawa Gee Gees Thursday night at the Loyola rink. Concordia has fared quite well against the Gee Gees of late, beating them 6-5 in the Micron Tournament championship game and scoring a 5-3 triumph in QUHL action January 14 in Hull.

Friday night the Stingers will travel to Cap de Madelaine for a match with the front running Trois-Rivieres Patriotes, currently coasting along with a 10-2 record.
